### Prices and Specifications

Prices and specifications are subject to change without notice. All prices quoted will be FOB our factories. If applicable, sales tax will be based on ship-to destination.

Bernhardt Design reserves the right to make changes in dimensions, design and/or construction, price lists, or product literature without prior notice.

### Order Entry

All orders are subject to final acceptance by Bernhardt Design in Lenoir, NC. Receipt of our acknowledgment indicates acceptance of your order subject to the terms set forth on the acknowledgment.

Bernhardt Design attempts to clarify all purchase orders. However, in the event the price list number and description on the purchase order differ, the price list number will prevail.

### Changes / Cancellation

All catalog orders in production are considered firm orders and are not subject to changes or cancellation. Fast Track orders can only be canceled before shipment is made or picked up by customer.

### Shipping

Bernhardt Design will ship in accordance with customer instructions whenever possible. If not specified, Bernhardt Design will exercise its best judgment in selecting a carrier. When selecting a carrier, we will make our best effort to meet requested delivery dates. Transportation lead-times and delays including equipment problems, weather, general traffic, traffic accidents, customer warehouse space, labor disputes, customer changes etc., that occur on a carrier will not be the responsibility of Bernhardt Design. Furthermore, we will not be responsible for additional costs incurred due to aforementioned delays.

Customer orders in production will be shipped as scheduled and will not be held. Bernhardt Design reserves the right to make partial shipments on any order, unless notified otherwise by the customer.

High quality cartoning meeting trucking and railroad specifications is standard at no extra charge. Some items may be blanket wrapped for shipment.

### Freight Damage and Claims

Bernhardt Design is not liable for any damages to products that occur during transit or storage. The carrier assumes all responsibility upon acceptance of product. It is the customer's responsibility to inspect products upon receipt and file any claims with the carrier. No product should be refused.

If products are received damaged, a written exception should be made on the bill of lading and an immediate inspection be requested of the carrier. Concealed damage must be reported to the carrier within 10 business days from date of delivery. Failure to make claims shall constitute acceptance of the products and waiver any claims of defects, errors or shortages.

In the event delivery is made on a Bernhardt truck, the products should be carefully inspected for transit damage. If contents are damaged, the driver should be notified to call the dispatcher for immediate disposition. Concealed damage must be reported within 10 business days from date of delivery and product/packaging held for inspection by a Bernhardt Design representative.

### Returns

Returns will be considered on a case by case basis. Returned products must be without defect and returned shipping costs paid by the purchaser. No merchandise may be returned to Bernhardt Design without written consent in the form of a Return Authorization from our Quality Assurance Department, stating why the item is being returned and how the item will be shipped. Unauthorized returns will be automatically refused by our receiving department as well as returns not in accordance with Bernhardt Design shipping instructions.

Liability for defective merchandise shall be limited to the replacement or repair of that merchandise, and Bernhardt Design shall not be liable for other damages or losses.

### Measurements and Weights

All measurements and weights are approximate and subject to change without notice.

### Warranty

Bernhardt Design will repair or replace, at its discretion and without charge to the original purchaser, any seating or table product or part thereof which fails as the result of defects in material and workmanship, under single shift use and normal care, for three years from date of shipment, with the exception of outdoor products which will be warranted for two years.

This warranty does not cover misuse or abuse of product, damages caused by contact with seating, tables, desks or other surfaces, or normal wear associated with use of product.

Repair or replacement of discontinued product will be at the discretion of Bernhardt Design.

Natural color changes, variations or movements in lumber or veneer products, exposure to extreme temperature changes and direct sunlight may cause color changes and/or surface damage. These are circumstances beyond the control of Bernhardt Design and are not warranty issues.

Certain chair and table styles with exposed wood require construction methods that accent color variations in light and natural stains. These variations are not considered product defects and are not warranty issues.

Damages to stacking chairs caused by stacking/unstacking methods are not controllable by Bernhardt Design and are not considered warranty issues.

THIS WARRANTY IS THE CUSTOMER'S EXCLUSIVE REMEDY FOR PRODUCT DEFECT AND DOES NOT APPLY TO DAMAGE CAUSED BY A CARRIER, DEALER, INSTALLER, USER MODIFICATION, OR ATTACHMENTS TO A PRODUCT. BERNHARDT DESIGN HAS THE EXCLUSIVE RIGHT TO MAKE THE FINAL DETERMINATION OF PRODUCT MISUSE OR ABUSE.

This warranty excludes fabrics, leathers and any other textiles for wearing quality, color fastness, shrinkage, wrinkling, stretching, or dye lot match.

EXCEPT AS STATED ABOVE, BERNHARDT DESIGN MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY PRODUCT, AND IN PARTICULAR, MAKES NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR ANY PARTICULAR PURPOSE.

BERNHARDT DESIGN SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OR FOR COMMERCIAL LOSS ARISING FROM ANY PRODUCT DEFECT.

**Care and Use**

Finished wood surfaces should be cleaned with a soft damp cloth, wiping in the direction of the grain. Dry with a soft cloth, wiping in the grain direction. Do not use waxes or furniture polish as these will cause an unsightly film build-up.

**Custom Design**

Bernhardt Design does offer some special table sizes and custom finishes. Contact your sales representative when a custom size or finish is needed. Custom designs/finishes require minimum quantities, additional leadtime and upcharges.

**Graded-In Fabrics, Coated Fabrics and Leathers**

Fabrics, coated fabrics and leathers offered in our graded in program, including Group 1-5, are dyed on piece by piece basis; color variations may occur-even in case of natural or synthetic leather.

**Customer's Own Material (COM) - Customer's Own Leather (COL)**

Due to aesthetic reasons or application restraints, Bernhardt Design must pre-approve COM/COL fabrics for application on certain PLANK products. Reference the individual product details for products requiring pre-approval.

**Pre-Approval Procedure**

Please submit a 12" X 12" sample for testing prior to the actual shipment of COM/COL to Bernhardt Design. Include special instructions if necessary.

**Shipping Address for Samples:**

**Bernhardt Design**  
**1839 Morganton Blvd. SW**  
**Lenoir, NC 28645**  
**Attn: Plank COM Department**

**Include: the COM/COL sample (with the front and rear face indicated, horizontal or vertical application indicated), the product number, quantity of products, contact information, and quote or PO number.**

Bernhardt Design reserves the right to reject any covering which in our opinion is unsuitable for upholstery purposes. However, we shall in no instance be held responsible for tailoring variances that result from the application of a particular textile or leather to a specific product.

**COM Yardage Specifications**

All yardage requirements shown in the price list are based on 55" wide plain material. Fabrics with a vertical repeat that must be matched, or that are less than 55" wide, require more yardage. Fabric quantities indicated for each model refer to fabrics with a minimal texture and in one color. For fabrics with a large texture or pattern, an additional 25-50% of fabric is required. See the

chart on page 9 of the price list for determining COM yardage requirements per chair/lounge. This guide will accurately cover most COM orders, but there will be instances due to unusual repeats or designs that additional yardages may be required. Bernhardt Design will not be held responsible for the purchase of any additional COM that may be required.

**All COM's will be cut and applied at the discretion of Bernhardt Design unless special cutting instructions are included in writing with the purchase order. Bernhardt Design will not be held responsible for defective fabrics, as all COM's are accepted as first quality goods.**

**COL Specifications**

Leather (COL) requirements are shown in square feet and calculated for hides that are 40 square feet or above. For hides below 40 square feet add 15% to the footage requirements. For calf hides below 30 square feet add 30% to the footage requirements. Bernhardt Design will not be held responsible for receipt of defective leathers, as all COL's are accepted as first quality goods.

**COM/COL Tagging**

All COM/COL must be properly tagged on the receiving documents in order for Bernhardt Design to match your fabric with your order. We will not be responsible for any delays caused by fabric not correctly marked.
